Hiring Committee, Forum for Young Canadians Logistics Team
Democratic Engagement Exchange
Toronto Metropolitan University
350 Victoria Street
Toronto, ON M5B 2K3

Dear Hiring Committee:

Subject: Application for Logistics Assistant, Forum for Young Canadians National Summit 2027

When more than 300 students from across Canada arrive in Ottawa for the 2027 National Summit, your team has to make every check-in, room set-up, meal, bus, and speaker hand-off run smoothly so the students can focus on civic life. Please consider this application for the Logistics Assistant position with the Forum for Young Canadians, which the Democratic Engagement Exchange is coordinating with the Rideau Hall Foundation. Coordinating people, spaces, materials, and suppliers around fixed dates has been the core of my work for more than three years.

The Forum has brought young people to Ottawa since 1976, and since partnering with the Rideau Hall Foundation in 2020 it has continued to educate, equip, and inspire young Canadians to engage in civic life. The Exchange's own programs, from Democracy Talks and Vote PopUp to the Canadian Vote Summit, reflect the same belief that participation is learned by doing. Your summit format, with 100 to 120 students aged 15 to 18 in each of three separate weeks, means every session must be reset and delivered to the same standard as the first, and repeatable delivery of that kind is central to my current role.

At Emole Futures Initiative in Kingston, I coordinate workshops, mentoring sessions, and public events for the Black Youth in Business program: preparing materials and spaces, scheduling and supervising program assistants and volunteer mentors, and confirming terms with facilitators and suppliers before verifying their delivery. Because every activity runs on a shared plan with a clear owner and date, problems surface early, while they are still small enough to fix. Your participants would benefit from that same preparation at registration, in meeting rooms, and at every meal service.

Your speakers, staff, and vendors would also gain a clear and dependable point of contact. At The Metropolitan Museum of Art and the Denver Art Museum, I coordinated curators, conservators, designers, and community advisors around fixed, publicly announced opening dates, including The Met's Michael C. Rockefeller Wing, which reopened on schedule in May 2025. Installing sculpture, textiles, and works on paper to museum standards taught me the attention to detail that dietary needs, room set-ups, and transportation schedules demand. You can count on my availability for the February 6 training day and all three program weeks, and on my readiness to complete the police record check, interview, and reference checks.

I would welcome an interview to discuss how I can help your 2027 National Summit run smoothly for every participant. Please contact me at 343-989-2373 or teminicrownpro@gmail.com. Thank you for your time and consideration.

Sincerely,

Adekunle (Ade) Adeniji

PROJECT COORDINATOR | EVENTS AND PROGRAM LOGISTICS

PROFILE AND OBJECTIVE

Objective: Logistics Assistant, Forum for Young Canadians National Summit 2027

Event and program coordinator with more than three years of experience organizing workshops, mentoring sessions, public events, and exhibition openings for a Kingston youth program, The Metropolitan Museum of Art, the Denver Art Museum, and the Smithsonian. Keeps participants, volunteers, speakers, and suppliers on one schedule, prepares spaces and materials before each activity, and addresses issues early while they are still easy to fix. Brings a strong commitment to youth engagement, built through leading the Black Youth in Business program.

CORE COMPETENCIES

- **Event coordination and logistics:** workshops, mentoring sessions, public events, and exhibition openings delivered to fixed dates
- **Organization and time management:** four concurrent workstreams and multiple exhibitions tracked against one schedule
- **Problem-solving:** workflow gaps and risks identified early and escalated while they were still easy to resolve
- **Communication:** volunteers, facilitators, suppliers, and specialist teams kept informed as plans changed
- **Supplier and budget coordination:** terms confirmed, delivery verified before payment, and expenses tracked against budget
- **Youth and community engagement:** program delivery with schools, mentors, and community organizations for Black youth

PROFESSIONAL EXPERIENCE

Project Manager and Program Lead — 2025 – Present
Emole Futures Initiative Inc., Kingston, Ontario

- Coordinated logistics for workshops, mentoring sessions, and public events for the Black Youth in Business program, preparing materials, spaces, and schedules so each activity had what it needed before it began.
- Recruited, scheduled, and supervised program assistants and volunteer mentors, routing each task to the right person so work reached the correct owner the first time.
- Engaged facilitators and suppliers, confirmed terms, and verified delivery against the agreed scope before payment, so the program paid only for work received.
- Reviewed incoming participant and partner requests for completeness, so information gaps were resolved before they could delay a session.
- Tracked facilitator fees, materials, and event expenses against budget, escalating changes to leadership while they were still small enough to absorb.
- Documented decisions and next steps from planning meetings, keeping assistants, mentors, and facilitators aligned as plans changed.
- Designed and analysed a 27-question participant intake survey, using the findings to improve the next program cycle.

Project Coordinator, Arts of Africa (Curatorial Residency) January 2025 – July 2025
The Metropolitan Museum of Art, New York, NY | Samuel and Gabrielle Lurie Fund Residency

- Coordinated collections and interpretation planning for the multimillion-dollar reinstallation of the Michael C. Rockefeller Wing, contributing to its on-schedule public reopening in May 2025.
- Aligned five specialist teams (curatorial, conservation, registration, education, and design) on content, timing, and display decisions, securing approvals before each deadline.
- Tracked versions, milestones, and deadlines through multi-stage review cycles, keeping print and digital materials synchronized with the installation schedule.
- Escalated schedule risks to senior staff early and presented to staff and stakeholders, giving decision-makers time to resolve issues before the opening date.

Exhibition Project Coordinator and Curatorial Fellow January 2022 – May 2023
Denver Art Museum, Denver, CO

- Coordinated deliverables and budgets across concurrent exhibitions with fixed opening dates, balancing competing priorities to keep results on schedule and within budget.
- Moved labels, catalogue copy, and digital content through drafting, review, approval, and final production, so every item was ready for opening.
- Collaborated with community advisors on exhibitions and public programs, building their feedback into planning so programs reflected the communities they served.
- Handled and installed sculpture, textiles, and works on paper to professional museum standards, protecting object safety in partnership with registration and conservation.

Project and Curatorial Intern July 2021 – November 2021
Smithsonian National Museum of African Art, Washington, DC

- Supported exhibition planning and public engagement across curatorial, conservation, and registration teams, applying federal-standard intake, documentation, and object-handling protocols to keep records complete and accurate.
