DATA COLLECTOR | DRIVER

PROFILE

Reliable, detail-oriented coordinator and experienced driver with a full Ontario G licence and more than five years of clean driving. Brings more than three years of experience collecting, documenting, and quality-checking information against fixed schedules for The Metropolitan Museum of Art, the Denver Art Museum, the Smithsonian, and a Kingston non-profit. Follows documented protocols exactly, works independently on assigned plans, handles valuable equipment and objects with care, and reports progress clearly.

KEY QUALIFICATIONS

- **Driving:** full Ontario Class G licence; more than five years of driving experience with a clean record
- **Data accuracy:** designed and analysed a 27-question survey; applied federal-standard documentation protocols
- **Protocols and quality checks:** multi-stage review and version tracking that kept records complete and accurate
- **Care of equipment and assets:** handled and installed sculpture, textiles, and works on paper to museum standards
- **Reliability:** work delivered to fixed public dates, including The Met's on-schedule May 2025 reopening
- **Communication:** clear status updates and documented decisions for leadership and partners

PROFESSIONAL EXPERIENCE

Project Manager and Program Lead 2025 – Present
Emole Futures Initiative Inc., Kingston, Ontario

- Designed and analysed a 27-question community intake survey, collecting and reconciling participant data to measure outcomes and guide the next program cycle.
- Reviewed incoming requests for complete, accurate information, resolving gaps before they could cause delays.
- Scheduled workshops, mentoring sessions, and public events across four concurrent workstreams, giving every activity a clear owner and date.
- Reported progress to executives through dashboards and summaries, turning delivery data into decision-ready updates.

Project Coordinator, Arts of Africa (Curatorial Residency) January 2025 – July 2025
The Metropolitan Museum of Art, New York, NY

- Tracked versions, milestones, and deadlines through multi-stage review cycles for the Michael C. Rockefeller Wing reinstallation, keeping content on track for its on-schedule reopening in May 2025.
- Documented decisions from cross-team planning meetings and escalated schedule risks early, giving senior staff time to resolve them.

Exhibition Project Coordinator and Curatorial Fellow January 2022 – May 2023
Denver Art Museum, Denver, CO

- Handled and installed sculpture, textiles, and works on paper to professional museum standards, protecting high-value objects in partnership with registration and conservation.
- Coordinated deliverables across concurrent exhibitions with fixed opening dates, keeping results on schedule and within budget.

Project and Curatorial Intern July 2021 – November 2021
Smithsonian National Museum of African Art, Washington, DC

- Applied federal-standard intake, documentation, and object-handling protocols, keeping collection records complete and accurate.
