SELECTED PROJECT MANAGEMENT COMPETENCIES

- **Cost management:** estimating effort and expense, building and baselining budgets, monitoring actual spend against plan through regular burn and expense reporting, analysing variance, and forecasting to completion
- **Procurement and payments:** engaging facilitators, suppliers, and production vendors, comparing quotes and confirming terms, monitoring deliverables against agreed scope and cost, and verifying completion before payment
- **Quality and accuracy:** planning review criteria, managing multi-stage review and approval cycles, and checking deliverables for accuracy and consistency before release
- **Communications and reporting:** producing status reports, dashboards, and summaries, documenting decisions and next steps, and making sure information reaches the right stakeholders
- **Stakeholder management:** building positive relationships with participants, partners, and internal teams, and managing expectations under competing priorities

WORK EXPERIENCE

Project Manager and Program Lead — 2025 – Present

Emole Futures Initiative Inc., Kingston, Ontario

- Administer the Black Youth in Business program, reviewing incoming partner and participant requests to confirm required information is complete before routing them for action.
- Monitor actual spend against a baselined budget for facilitator fees, materials, and event expenses, update expense reports on a regular cadence, and analyse variance for leadership.
- Plan facilitator engagements and materials against budget and apply quality review to facilitator output before sign-off.
- Designed and analysed a 27-question community intake survey, reconciled results, and reported findings against program objectives.
- Document decisions and next steps from planning meetings, and present dashboards and outcome summaries that turn delivery and budget data into decision-ready reports for executives and external stakeholders.
- Recruit, schedule, and supervise program assistants and volunteer mentors across four concurrent workstreams.

Project Coordinator, Arts of Africa (Curatorial Residency) — January 2025 – July 2025

The Metropolitan Museum of Art, New York, NY

- Coordinated collections and interpretation planning as the Samuel and Gabrielle Lurie Fund resident within the multimillion-dollar reinstallation of the Michael C. Rockefeller Wing, delivered against a fixed public opening date.
- Routed content through multi-stage review and approval cycles, tracking versions, milestones, and deadlines with close attention to accuracy.
- Consulted the appropriate specialists for approvals on content, timing, and display decisions, and escalated workflow gaps and schedule risks to senior staff; the wing reopened on schedule in May 2025.

Exhibition Project Coordinator and Curatorial Fellow — January 2022 – May 2023

Denver Art Museum, Denver, CO

- Tracked progress and expenses across concurrent exhibition projects with fixed opening dates, keeping results on schedule and within budget.
- Managed print and digital deliverables from drafting through review, approval, and final output, maintaining accuracy and consistency.
- Partnered with community advisors and incorporated stakeholder feedback into scope and content decisions.

Project and Curatorial Intern — July 2021 – November 2021

Smithsonian National Museum of African Art, Washington, DC

- Applied federal-standard intake and documentation protocols across curatorial, conservation, and registration teams.
