SELECTED PROJECT MANAGEMENT COMPETENCIES

- **Schedule and logistics:** sequencing activities, mapping dependencies, and tracking milestones so programs, installations, and events land on fixed public dates
- **Resource management:** recruiting, scheduling, and supervising team members and volunteers, and routing work to the appropriate discipline lead
- **Stakeholder management:** building positive relationships with cross-functional and external partners and managing expectations under competing priorities
- **Quality management:** planning review criteria and performing quality control so content and experiences meet museum standards
- **Risk management:** identifying risks and workflow gaps early, planning mitigation and contingency responses, and escalating issues for timely resolution

WORK EXPERIENCE

Project Manager and Program Lead **2025 – Present**

Emole Futures Initiative Inc., Kingston, Ontario

- Direct end-to-end delivery of workshops, mentoring sessions, and public events for the Black Youth in Business program, from concept through on-site delivery.
- Recruit, schedule, and supervise program assistants and volunteer mentors, and route activities to the right facilitators so each session runs smoothly.
- Plan schedules, milestones, materials, and facilitator engagements across four concurrent workstreams against a baselined budget.
- Designed and analysed a 27-question community intake survey and used the findings to refine programming for the next delivery cycle.
- Apply quality review to facilitator output and present outcome summaries to executives and external stakeholders.

Project Coordinator, Arts of Africa (Curatorial Residency) **January 2025 – July 2025**

The Metropolitan Museum of Art, New York, NY

- Coordinated collections and interpretation planning as the Samuel and Gabrielle Lurie Fund resident within the multimillion-dollar reinstallation of the Michael C. Rockefeller Wing, delivered against a fixed, publicly announced opening date.
- Aligned curatorial, conservation, registration, education, and design teams on interpretation deliverables, consulting specialists for approvals on content, timing, and display decisions.
- Researched and wrote gallery interpretation and three published essays for the Heilbrunn Timeline of Art History, making complex material clear and accessible for varied audiences.
- Tracked versions, milestones, and deadlines so print and digital content stayed synchronized with the installation schedule; the wing reopened to the public on schedule in May 2025.

Exhibition Project Coordinator and Curatorial Fellow **January 2022 – May 2023**

Denver Art Museum, Denver, CO

- Handled and installed sculpture, textiles, and works on paper to professional museum standards, coordinating closely with registration and conservation.
- Collaborated with community advisors to shape exhibitions and public programming, incorporating stakeholder feedback into content decisions.
- Coordinated exhibition deliverables, schedules, and budgets across concurrent projects with fixed opening dates.
- Managed gallery labels, catalogue copy, and digital interpretive content from drafting through approval and final output.

Project and Curatorial Intern **July 2021 – November 2021**

Smithsonian National Museum of African Art, Washington, DC

- Supported exhibition planning and public engagement, applying federal-standard intake, documentation, and object-handling protocols alongside curatorial, conservation, and registration teams.
